**Harry Houdini : The Right Way to Do Wrong: An Expos of Successful Criminals** before purchasing it in order to  
gauge whether or not it would be worth my time, and all praised The Right Way to Do Wrong: An Expos of Successful  
Criminals:

0 of 0 people found the following review helpful. Fun read.By CustomerI can't wait to travel back in time to a hundred

years ago and embark on a crime spree. This book is full of ye olde scams. Fun!1 of 1 people found the following review helpful. he certainly had good sources, and it's written in a breezy styleBy ADMurrTo make extra cash, Houdini sold copies of this slim tome in the lobbies of the theaters he played. It's unclear how much he knew about crime, but since would cozy up to police chiefs in Europe and America to boost publicity by arranging a jail break for publicity purposes, he certainly had good sources, and it's written in a breezy style.0 of 0 people found the following review helpful. Worth a shotBy PBWSort of a strange book, but have to keep in mind when this was written. Houdini wasn't a sage writer, but it is interesting to see how things were back then, and unfortunately things haven't changed too much

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
