(author) Alfred Balk : The Rise of Radio, from Marconi Through the Golden Age (Clymer Motorcycle Repair) (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rise of Radio, from Marconi Through the Golden Age (Clymer Motorcycle Repair) (Paperback) - Common:

As the dominant form of electronic mass communication in the United States from the 1930s into the 1950s, radio helped to forge a modern continental nation. It fused myriad subcultures—heavily rural, ethnic, and immigrant—into a national identity, unifying the nation in the face of the Depression and war. Later, federal deregulation allowed the radio of the “Golden Age,” 1926–1952, to devolve int...
