**From Hal Leonard : The Rodgers and Hammerstein Collection Boxed Set** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rodgers and Hammerstein Collection Boxed Set:

This fabulous gift box is the ultimate collection for anyone who loves the music of Rodgers and Hammerstein. Featuring 90 classic songs arranged for piano and voice with guitar chord frames, the set includes nine books: vocal selections from their eight most popular shows, plus Rodgers and Hammerstein Rediscovered, a compilation of rare favorites. All the books are packaged in a deluxe hard case for permanent storage and display.
