0 of 1 people found the following review helpful. WARNINGBy Just in BostonVery old style book- not even close to a classic, tricks hard to follow and don't work.

First published in 1859, this was a popular introduction to card tricks, close-up magic, sleight of hand, and small prop illusions. This conjuring classic has tricks for cards, coins, dice, rope, cups and balls, and other simple materials that can be used to entertain and amaze your family and friends.
