Wye Jamison Allanbrook : The Secular Commedia: Comic Mimesis in Late Eighteenth-Century Music (Ernest Bloch Lectures) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secular Commedia: Comic Mimesis in Late Eighteenth-Century Music (Ernest Bloch Lectures):

4 of 4 people found the following review helpful. This is the most important book about music in years ...By Francis Maes
This is the most important book about music in years. It took a long time to wait for its completion and sadly the author is no longer with us. Now that it is available, it becomes clear that Allanbrook offers a totally new view on music history and its connections with the long history of western thinking and culture. Indispensable reading for all music lovers.

Wye Jamison Allanbrooks *The Secular Commedia* is a stimulating and original rethinking of the music of the late eighteenth century. Hearing the symphonies and concertos of Haydn and Mozart with an ear tuned to operatic style, as their earliest listeners did, Allanbrook shows that this familiar music is built on a set of mimetic associations drawn from conventional modes of depicting character and emotion in opera buffa. Allanbrook mines a rich trove of writings by eighteenth-century philosophers and music theorists to show that vocal music was considered aesthetically superior to instrumental music and that listeners easily perceived the theatrical tropes that underpinned the style. Tracing Enlightenment notions of character and expression back to Greek and Latin writings about comedy and drama, she strips away preoccupations with symphonic form and teleology to reveal anew the kaleidoscopic variety and gestural vitality of the musical surface. In prose as graceful and nimble as the music she discusses, Allanbrook elucidates the idiom of this period for contemporary readers. With notes, musical examples, and a foreword by editors Mary Ann Smart and Richard Taruskin.

"Consistently accessible, quick-witted and amusing . . . One must be grateful to Smart and Taruskin for asserting the virtues of scholarly community by taking up Wendy Allanbrooks unfinished opus and delivering it to the world."
