THIS MORNING! EVERYTHING THEY SAY IS VERY TRUE! DO BUSINESS WITH THEM. By Ernest
Quimby bought the first one in '81. It took me 12 hours to solve. I had a cheap off-brand cube and as I was working
the last step... my cube fell apart. Soooo. I got the name brand cube, spent many, many hours to memorize all steps and
could complete it in LESS THAN 2 MINUTES! Years went by and life happened and I forgot everything. Until I
reordered the book. Some people can work it blindfolded, with the feet, etc. I'm just happy to do it at all! ps... I've won
many bets solving it. Many times the price for this book. 2 of 2 people found the following review helpful. GOOD
VERSION OF THE SOLUTION BUT WAY TOO EXPENSIVE! By GRANDMA J The solution is easy to accomplish
with this book. My grandchildren are just now entering the age where they want to learn to solve the cube. I bought
this same book in the 70's or 80's, I can't remember for sure, only in an 8x11 magazine format for a very, very small
fraction of the cost of this miniaturized version. I'll make sure that I never lose this one because in another 15 years, it
may cost me hundreds of dollars to replace again. 1 of 1 people found the following review helpful. Can't solve without
it! I noticed the notation the ... By beltway-bidder Can't solve without it! I noticed the notation the Rubik's fans on IG
use is a little different. This is the 2nd time I owned this book, because I think it's the easiest, or maybe as it says, the
simplest, way to attack it.

Here's the solution to the world's greatest challenge. It really works because: * It features easy-to-memorize moves * It
offers clear and steady progress * It presents few and uncomplicated decisions * It's independent of color * It allows
easy recovery from mistakes * It's guaranteed to work on any cube. Complete with hints, short cuts and expert moves
to cut your solving time. Exclusive section of new games including speed cubing, competition cubing and cube
alphabet.
