By HWWoman I ordered this musical selections book and did not receive the book as described, so none of the songs that I was anticipating receiving are in this book. I received the mezzo/Alto book Volume 1 instead of the Mezzo) Belter book Volume 1. The songs in this book are a bit outdated. 3 of 3 people found the following review helpful. The only thing was there was no preview into the book to see what songs were in it so I had to go to there actual website to see, as I was needing a peticular song from the book.
