Johann Sebastian Bach, Music Scores : The Six Brandenburg Concertos (Dover Miniature Music Scores)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Six Brandenburg Concertos (Dover Miniature Music Scores):

0 of 0 people found the following review helpful. Another Small Book of Classical Music By William E. Lawson This book is from an interesting collection of classical music, but it is too small to try and play the music from. My nephew explained to me after I bought it for him as a gift that the book is only intended for following along when listening to the music being played by others. Works for me! /// WEL0 of 0 people found the following review helpful. goodBy

CustomerGOOD! BUT TOO SMALL!2 of 2 people found the following review helpful. The best things come in small packagesBy A CustomerThis is an excellent miniature edition of Bach's Brandenburg Concerti. It has an interesting and informative preface, including a small list of variants from the MS. Moreover, the price is right, and while the print is extremely small, the engraving is very clear, making the edition easily readable. This is a very good deal.

This Dover edition makes available in miniature format Bach's six Brandenburg Concertos, composed while he served as Kapellmeister to Prince Leopold of Cthen from 1717 to 1723. In these masterpieces dedicated in 1721 to the Margrave Christian Ludwig of Brandenburg Bach abandoned the standard type of concerto grosso in favor of a variety of solo combinations, resulting in music of intense, appealing originality, complex textures and development, and unprecedented instrumentation. Among the most frequently performed and recorded in the entire repertoire, the concertos are reprinted here from the definitive Bach-Gesellschaft edition. They include No. 1 in F Major, No. 2 in F Major, No. 3 in G Major, No. 4 in G Major, No. 5 in D Major, and No. 6 in B-flat Major. These six works are published in full score with bar-numbered movements. Ideal for study in the classroom, at home, or in the concert hall, this affordable, high-quality, conveniently sized volume will be the edition of choice for music students and music lovers alike.
