I've had other sheet music for some of these songs, but those were too simple. These are just at the right level (intermediate) that I can play some of them right away, while others are presenting just the right amount of challenge to learn. 0 of 0 people found the following review helpful. My favorite Songs By carole lendosky Love it. Easy to play. Memory inducing 2 of 2 people found the following review helpful. Can't get the tunes out of my head now. By Linda S The piano arrangements were very good and the selection was great. Just what I was looking for. And now I can't get the tunes out of my head.
