She has taken right to it, and is happily playing the music from the Sound of Music. She also loves the CD, which has helped her become more familiar with the music as it should be played on the

piano.0 of 1 people found the following review helpful. ClassicBy Wayne PruskiPurchased as a gift for my 2nd mom and she loves it. Its nice to hear her play these classics and see her smile again.2 of 4 people found the following review helpful. Not a beginner bookBy HeatherI ordered this for my daughter. She's 8 years old and has only been playing piano for a year. It's hard to order music books online because you can't see what you're getting. I was so disappointed when I got it because it was much harder to read than I had expected. I definitely would not call this a beginner book. I think I'll stick to ordering books in a store where I can pick them up and look through them.

(Piano Play-Along). Your favorite sheet music will come to life with the innovative Piano Play-Along series! With these collections, piano and keyboard players will be able to practice and perform with online professional-sounding accompaniments. Containing eight cream-of-the-crop songs each, the books feature new engravings, with a separate vocal staff, plus guitar frames, so players and their friends can sing or strum along. The audio includes PLAYBACK+ features which allow you to loop and change tempo to assist with practice. The high-quality, sound-alike accompaniments exactly match the printed music. 8 songs, including: Climb Ev'ry Mountain * Do-Re-Mi * Edelweiss * Maria * My Favorite Things * Sixteen Going on Seventeen * Something Good * The Sound of Music.
