My piano teacher thought it was a little advanced for me. Although I know Doe Ray Me by heart. I gave up piano lessons. have several other books I use.0 of 0 people found the following review helpful. Beginner level music sounds vaguely like the movieBy MomofthreeI bought this for my 7 yo girl who's been playing piano for 1 year. She saw

Sound of Music so was begging to learn the famous songs like " Favorite Things" and "Edelweiss". We excitedly brought this sheet music to our piano eager to try out the music but she was very disappointed in the lack of similarity to the original. I know it's because it's a beginner book , but the level is ideal for my daughter0 of 0 people found the following review helpful. My grandchildren and family love the Sound of Music and now able to learn ...By Pamela SchultzMy grandchildren and family love the Sound of Music and now able to learn to play the songs they love on the piano.
