Louise Elvira Cuyler : The Symphony (Detroit Monographs in Musicology) (Detroit Monographs in Musicology/Studies in Music) before purchasing it in order to gage whether or not it would be worth my time, and

all praised *The Symphony* (Detroit Monographs in Musicology) (Detroit Monographs in Musicology/Studies in Music):

The two-hundred-year development of the symphonic form is traced through a discussion of representative compositions from each period. Narrative covers background and heritage of the classical symphony in Austria and Germany; developments from 1780 to 1914; and the evolution of the symphony in the twentieth century from an international perspective. The student and scholar will find this text rich with illustrations and musical examples.
