Symphony Orchestra and its InstrumentsBy Marjorie HartMy daughter and I have found this a fine reference which adds to our appreciation of symphony concerts. A very interesting and attractive book.0 of 0 people found the following review helpful. GoodBy AHMAD MUNIR MAHZAIRThe book is really good. It is in good condition when I received it. I totally loves it. I'll suggest it to others as well

A comprehensive study of every aspect of an orchestra discusses its history, instruments, composers, development, and music and includes three hundred full-color and one hundred black-and-white photographs.
