Dan Waddell : The Test Match Special Quiz Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Test Match Special Quiz Book:

Test Match Special has been the last word in world cricket for over 50 years, and is a staple for every cricket fan. But how well do you know your cricket?Pit your wits against Aggers, Tuffers, Boycs and Johnners. Can you identify the most famous players from history, name that ground or reel off well-known (and lesser-known) stats. And of course, what Test Match Special would be complete without a View from the Boundary to look at the lighter side of cricket beards, cakes and weird and wonderful characters.With over 3,000 mind bending puzzles about every aspect of the

sport and beyond, this is the ultimate test of any cricket fan's true average.
