I loved it, started out very slightly challenging and quickly went to very challenging but doable with patience.By Pamela D. RogersI would recommend this for anyone who does want a challenge and not some puzzle they can get through quickly. The difficulty increases in good increments.

Samurai is for anyone who wants to enjoy extra-challenging extended-length Su Dokus. If you regularly relish number puzzles but they are solved within minutes, you might prefer the extra exertion involved for Samurai. With its larger

and more complex grid, Samurai Su Doku will have you glued to your chair mentally toiling for hours.

About the AuthorTimes Mind Games brings together the very best puzzles from the pages of The Times: Cryptic and General Knowledge Crosswords, Jumbo Crosswords, Codewords, all levels of Su Doku and mixed number puzzles and word-based games and quizzes.
