From Wildside Press : The Tree That Saved Connecticut: A Learning Script for Radio Performers before purchasing it in order to gage whether or not it would be worth my time, and all praised The Tree That Saved Connecticut: A Learning Script for Radio Performers:

Originally prepared by the Fox Meadow School for students learning to perform drama on the radio, here is Henry Fisk Carlton's original radio play (broadcast as part of the "Dramatic Hours in Colonial History" series), complete with notes on how to be a good radio actor and how to follow directions in the play. Edited by Claire T. Zyve, Ph.D.
