Sylvia Browne : The Two Marys: The Hidden History of the Mother and Wife of Jesus before purchasing it in order to gage whether or not it would be worth my time, and all praised The Two Marys: The Hidden History of the Mother and Wife of Jesus:

0 of 0 people found the following review helpful. Five StarsBy KATHYexcellent0 of 0 people found the following review helpful. Five StarsBy Barbara A. DarganGreat book that really gets you thinking!!!0 of 0 people found the following review helpful. Three StarsBy Marie J. GrenchikNot sure i liked this... read it a few years ago... still not sure if i like it.

America's leading psychic explores unanswered questions about the Virgin Mary and Mary Magdalene from her unique perspective as someone familiar with this world and the next. No conversation about Jesus Christ is complete without a discussion of the two Marys one his mother, and the other his wife. Sylvia Browne's readers are deeply committed to exploring the life of Jesus through her eyes. Continuing the journey she began a year ago with *The Mystical Life of Jesus*, the respected psychic reveals answers to questions that have been asked by countless people of faith. Drawing on her relationship with her spirit guide and her years studying the controversial Gnostic texts, Sylvia Browne speaks with the confidence and authority only someone who has visited the afterlife can have.

"Ms. Browne is as close as publishing gets to a sure thing." - "The Wall Street Journal" From the Back Cover Many controversies have remained unanswered in Christianity for centuries. Some of these controversies have recently drawn increased attention due to new discoveries in archaeology as well as bestsellers and movies such as *The Jesus Tomb* and *The Da Vinci Code*. With the unique perspective only Sylvia Browne could bring, *The Two Marys* focuses on one of the greatest unknowns: the lives of the two most important women in the life of Jesus. Jesus's mother had an enormous influence on him, which has mostly been marginalized by the Christian churches. Contrary to the beliefs of all the Christian religions, Jesus did marry Mary Magdalene, and she too influenced his teaching. In *The Two Marys*, New York Times bestselling author Sylvia Browne uncovers the hidden history of these two remarkable women in a story that will challenge the very basis of traditional Christian faith.
