For me, the font could be larger making it easier to read, but it's still a great volume. It includes tabs and chords. Also all the lyrics to the songs. It has large chord diagrams too, in case you come across a new chord you haven't played before. If you play the ukulele and you like traditional gospel hymns, you need this book.3 of 3 people found the following review helpful. In addition to hymns, there is a section on various strummng and finger-picking techniquesBy AnnHymns are in various keys, and the melody tabs are really nice if you don't read the treble clef. The included hymns have from 2-8 chords, but most have 3-5 chords. As in all of Balinger's uke books, there is a wonderful section in the back with helpful strumming patterns and finger-picking patterns for those who want to play beyond beginner strumming.0 of 0 people found the following

review helpful. Nice song selection but...By amjNice enough song selection, but don't like having verses, besides verse 1, and chord diagrams on separate page. All the extra verses are just in a paragraph without chord notations and chord diagrams are on separate page. Obviously, I am new at playing, but all the other books I have purchased display all verses with chord notation above where it is to change key and the list of chord diagrams are at the top of the page with the song.

Thomas Balinger The Ukulele Songbook Hymns Songs of worship In this book youll find a collection of 50 hymns and songs of worship arranged for easy Ukulele in standard C tuning (G-C-E-A). A collection of tunes youll enjoy playing. Here are the songs known and loved all around the world like Amazing grace, A mighty fortress is our God, Jesus paid it all and Come, Thou fount of every blessing; but also some songs you might not know as well theres lots of beauty to be found there, too. This book is aimed at the beginning to intermediate Ukulele player and with that in mind the songs have been transposed to easy Ukulele keys (and slightly simplified, if necessary). All songs in musical notation with chord symbols plus melody TAB you dont have to read music to start playing right away! Whether you want to pick the melody, strum the chords or just need the complete lyrics: youll find everything you need on these pages. And if you dont know how to play a particular chord, dont worry: each song features easy-to-read chord diagrams, too. For reference, theres a handy appendix listing all the chords used in this book plus a selection of easy strumming patterns you can use to accompany songs. Songs 1. Abide with me 2.
