I'm always looking for new tools that I can use for my youth Bible study classes, and this book has been a great resource for creating interesting quizzes for my students. Its broken down as follows: \*Chapter 1 has three sections, with 10 questions in each section. The first section is about Jesus, the second about Paul, and the third about Peter. \*Chapter 2

is called A to Z and its broken down into 26 sections, with each sections answers corresponding to a different letter of the alphabet. For example, section one is The A List and there are ten questions from throughout the Bible whose answers begin with the letter A. Then the second sections answers begin with B and so on.\*Chapter 3 has a section for each book of the Bible, with 10 questions per book.\*Chapter 4 has five lists of events that must be put into chronological order.\*Chapter 5 has general questions about the Bible, its authors, significant numbers, cities, and lands.\*Chapter 6 is about animals in the Bible\*Chapter 7 is about kings and rulers\*Chapter 8 is miscellaneous questions\*Chapter 9 contains 100 general questions in multiple choice format\*Chapter 10 has two speed tests one for the Old Testament and one for New TestamentThe author is knowledgeable and provides a broad range of information in a fun and interesting format. These arent your typical boring, warmed-over questions as is the case with many trivia books. This book would be great for families who want to learn the Bible together, for youth groups, and for classrooms. I definitely recommend it.0 of 0 people found the following review helpful. Five StarsBy Nancy SmithVery good1 of 1 people found the following review helpful. Lots of information- Good for Youth GroupsBy LinI bought this book for activities within my youth group. It is a bit advanced forthe group between 12 and 18 but with lots of studying the information can be learnt in time. I like that the quizzes represent various themes.I would recommend this resource to study groups.Perhaps a much junior version can be created with the same concept.

Who led a rebellion against Moses and Aaron?Who was Jeremiahs secretary?What was Peters fathers name?These questions and countless more fill this entertaining book of Bible quizzes. Everyone loves a good-natured contest, and Sunday school teachers, youth leaders, and Bible study facilitators will find plenty of material here to keep their groups scurrying through the pages of Scripture. Questions come from all 66 books of the Bible. Most quizzes are just one page long, with answers on the following page. The quizzes are grouped into categories: important people in the Bible, books of the Bible, and many others.Seasoned Bible readers will enjoy testing their own knowledge, and newer students of the Scriptures will appreciate the way these questions create a structure for their reading and study.
