The Ultimate Pokemon X and Y Strategy Guide is an all-inclusive guide to the Pokemon X and Y games. It includes tons of tricks, secrets, tips, and general game intelligence to help you progress through the game. It is pretty much a necessity if you want to have that competitive edge in the game - it is also great for the casual player, simply looking to get ahead. Obviously, there are a few Pokemon guides already out there, but this one contains EVERYTHING, all in ONE PLACE. No need to search around for hours trying to find one specific nugget of information. This guide has everything!
