By Rich Tandler
A great collection of trivia! There are a lot of questions that are very tough even for a longtime diehard such as me, but still not ridiculously obscure. The jersey numbers section alone makes this book worth owning. The layout could have been better, though. The questions are in the first half of the book, the answers in the second. The question pages lack a reference to the

page number of the answers so if you're just picking the book up to flip through it, it's difficult to look up the answer to a stumper.0 of 0 people found the following review helpful. A must-have for any Redskins fan!By A CustomerGreat book... provided hours of enjoyment for myself and my fellow Redskins fans! Highly recommend it for tons of challenging fun.
