**Steve Ney, Tom Ney, Ronnie Sellers Productions : The Unofficial Office Pool Handbook: Probably Illegal...But, Oh So Much Fun!** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unofficial Office Pool Handbook: Probably Illegal...But, Oh So Much Fun!:

0 of 0 people found the following review helpful. Sample lists, comparison charts, pool ideas, tips moreBy Midwest Book ReviewThe Unofficial Office Pool Handbook by Steve and Tom Ney is a straightforward "how to" guide to

creating, playing and competing in workplace pools, including friendly competitions revolving around predictions about sports, entertainment, and other hot topics. Sample lists, comparison charts, pool ideas, tips, score sheets and more fill the pages of this excellent, well-rounded, highly recommended guide to a widespread favorite pastime of the workplace. 0 of 0 people found the following review helpful. Betting without the stress By KennyGreat Book, I didn't realize how much fun office pools could be. Just think how crazy we get with the Superbowl pool; well this book has all types of great pools you can do all year round and not just with sports. Some of the pools are so simple they're brilliant!! Make your office fun again... We did!! 0 of 0 people found the following review helpful. A must have if you play in office pools! By David Incredible insight by the Ney brothers on how to maximize earning potential in office pools. Extremely entertaining, even for the sport 'layman', especially if you're a 'swill masters' fan....yo yo

According to a recent survey by Vault Communications, two-thirds of the workplaces in the United States have regular office pools. The Unofficial Office Pool Handbook offers step-by-step instructions that explain the rules of various pools, from baby names and the Oscars to major sporting events. The book featuring a variety of templates, grids and score sheets used in setting up the games. The author provides charts, star boxes, and a wealth of historical information about scores and winning combinations as well as informative strategies that may help increase the chances of winning.

About the Author Infofan, founded by brothers Steve and Tom Ney in 1994, aims to provide sports fans informative published details of upcoming sporting events as well as notable milestones, highlights, and bold predictions that will intrigue even the most amateur fan. Their wealth of knowledge of the sports world is a result of their genuine love of all sports and their commitment to share that knowledge with fellow fans.
