My 7yo son purchased this item with his own, hard earned money and the look of disappointment on his face when this arrived was heartbreaking. He tried really hard to hold back the tears. It was nothing like what he expected. There was no new or unique information and it appears the authors just copied and pasted information from the instruction manual. There are few graphics and

the book is poorly constructed. He and I discussed his options of either keeping or returning this "book." He decided to keep it, but asked that I write a review warning all other kids to not waste their money on this guide.0 of 0 people found the following review helpful. A waste.By pollack1971Very thin small book with no color photos. A waste.0 of 0 people found the following review helpful. Three StarsBy Patricia Silvernailok
