Charlotte Lowe : The Utterly, Completely, and Totally Useless Fact-O-Pedia: A Startling Collection of Over 1,000 Things You'll Never Need to Know

before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Utterly, Completely, and Totally Useless Fact-O-Pedia: A Startling Collection of Over 1,000 Things You'll Never Need to Know:

0 of 0 people found the following review helpful. Do Not Rely On This Book's Information. By TRACIE JBIMHO, this book had a very poor editor (lots of typos/spelling error, wrong word usage, awkward grammar, humor in poor taste) and a nonexistent fact-checker. Many factoids were completely erroneous and others were old info, things that had changed. Glad I didn't spend more than a \$1 on it! 0 of 0 people found the following review helpful. I'm set to continue my late son's legacy for being a "founfaun of useless infirmation." By Kindle Customer If I can only remember, I'm set to continue my late son's legacy for being a "founfaun of useless infirmation.". It's so much fun to know tons and tons of trivia tk astound peopke around you! !!! 0 of 0 people found the following review helpful. Fun trivial information By SIFI Guy If you are a fan of trivia, you'll love this book. From A to Z bits of information to enjoy and maybe impress friends. I enjoyed the book.

Did you know that cats were once used to deliver mail in Belgium? That the huddle in football became popular after a deaf player began using it to prevent other teams from reading his sign language? That the average American eats 30 pounds of cheese in a year? Organized from A to Z, there are over 1,000 trivia tidbits for you to peruse. Start off with little-known facts about Aristotle and Barbie, and continue until youve discovered hidden gems about zombies, zippers, and more! Did you know that Levi Strauss originally intended to sell canvas tents to miners in California but ended up using the fabric to make what the prospectors really needed pants? Or that a chicken in Colorado had its head cut off and managed to live for another two years? Did you know that if Americans were to switch just 10 percent of their total mileage to scooters, we would consume 14 million gallons less fuel and reduce CO2 emissions by 324 million pounds in just one day? Or that on May 15th, 1950, Coca-Cola became the first product ever to appear on the cover of Time magazine?

About the Author Charlotte Lowe has spent the last twelve years as a book editor. Having lived in four countries and visited twenty-five, she has a voracious appetite for cultural knowledge and trivia. She is a cultural attach based in Toronto, Canada.
