THE VIOLIN COLLECTION collection (EASY TO INTERMEDIATE VIOLIN/PIANO, INTERMEDIATE VIOLIN/PIANO, and INTERMEDIATE TO ADVANCED VIOLIN. Each book has an excellent collection of music, CD with full performance track and accompaniment track. Each book is also divided into the accompaniment sheet music alone with a pull out which contains only the violin sheet music. 2 of 2 people found the following review helpful. Absolutely gorgeous collection By Alan S. Mathias Well arranged for the beginning violinist - like me. The performances on the cd are nothing short of breath taking and inspire the student to aspire to a better sound out of their violin. Accompaniments are full and as an intermediate pianist, I find them well in reach to play. A nice variety of pieces from Baroque to modern. 0 of 0 people found the following review helpful. Nice collection of pieces to play By Fletch from the West This is a nice collection of pieces to play. They are quality but simple arrangements of quality classical music. Easy to Intermediate is a fair assessment of difficulty.

(String Solo). An ideal collection for a student performing in a contest or recital for the first time. All of the pieces can be played comfortably in first position. The book includes access to online recordings of piano accompaniments for each piece for download or streaming.
