Wolfgang Amadeus Mozart, Music Scores : The Violin Concerti and the Sinfonia Concertante, K.364, in Full Score (Dover Music Scores) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Violin Concerti and the Sinfonia Concertante, K.364, in Full Score (Dover Music Scores):

1 of 1 people found the following review helpful. Wonderful Score By Daniel E. Cureton Dover has done it again. They usually put out really nice scores that are solid, and they continued their tradition here. I got this score so I could see all the parts in the Sinfonia by Mozart. The binding is tight, the parts scored correctly, the lines are easy to follow, the printing clear and crisp. Everything flows together just as if it was Mozart writing himself. I'd recommend this for

conductors, students and anyone just wanting to follow along and really discover in depth the mechanics and beauty of Mozart.

Written in the year 1775, Mozart's lively violin concerti manifest the young composer's astonishing maturity and command of his craft. An "incredible fluency of musical speech richness of texture and sheer beauty of melodic line pervade this music" (Veims, *The Concertos*). Indeed, the concerti are the composer's earliest compositions that have maintained a secure position in the world's repertoire. Also a staple of the concert hall is the *Sinfonia Concertante*, K.364, composed in 1779, and scored for violin, viola, and orchestra. Undoubtedly the most significant work Mozart composed that year, the piece is distinguished by its symphonic sweep, advanced harmonies, and the beautiful slow movement, among Mozart's most moving creations. Now all six masterpieces are available in this convenient, inexpensive edition. Concerto for Violin and Orchestra in B-flat Major, K.207 Concerto for Violin and Orchestra in D Major, K.211 Concerto for Violin and Orchestra in G Major, K.216 Concerto for Violin and Orchestra in D Major K.218 Concerto for Violin and Orchestra in A Major, K.219 *Sinfonia Concertante* in E-flat Major, K.364 Essential to the repertoire of every serious violinist, and reproduced directly from the authoritative Breitkopf Hrtel Complete Works edition, these celebrated compositions offer a wealth of challenge and inspiration to musicians and further incontrovertible evidence of Mozart's multifaceted genius.

About the Author A child prodigy who blossomed into the Classical era's most influential composer, Wolfgang Amadeus Mozart (1756-1791) wrote more than 600 works in his brief life. His oeuvre encompasses a wide variety of genres, including symphonic, chamber, operatic, and choral music.
