Lou writes in an easily understandable manner with questions meant to enhance your knowledge ...By Mark SchaeferLou writes in an easily understandable manner with questions meant to enhance your knowledge of Walt Disney World and his personality comes across very well in his writing style. This books serves well as a way to test your current knowledge of the parks as well as teach you new trivia to be used with family and friends while at home, or to enhance your experience while at the parks.0 of 0 people found the following review helpful. Fun readBy jmrogoThis is a fun question and answer book, but some of the answers leave you looking for more information. Things at Disney change so rapidly that some of the information is a little dated. I enjoyed it very much and had fun seeing if I knew the answer before I flipped to the answer section. I was surprised many times and knew a lot less than I thought I did. I liked the book well enough to also purchase the next volume, so I think you will have fun with it also.0 of 0 people found the following review helpful. Lou Mongello is absolutely FANTASTIC! This book is INCREDIBLEBy MJLou Mongello is absolutely FANTASTIC! This book is INCREDIBLE! The GREATEST trivia collection for a Walt Disney World fan! As a former cast member, and a Disney Heritage (Disney College Program) graduate, even I learned so much from going through it! Thanks Lou!

More fascinating facts and tantalizing trivia about the Happiest Place on Earth. Hundreds of multiple-choice questions with in-depth answers. Same popular format. All new information. Both a game and a reference.

Fascinating tidbits about the history and operation of Walt Disney World. -- Bookwatch, "The Travel Shelf," November 2006Mongello loves Disney and he loves trivia, and it shows in his newly-released "Walt Disney World Trivia Book, Volume 2. -- Scott Powers in The Orlando Sentinel on July 12, 2006You'll learn something new reading this book, and you'll have a lot of fun learning it. -- Paul Schnebelen, FantasyLine EXPRESS, August/September 2006
