**From ABRSM (Associated Board of the Royal Schools of Music) : The Well-Tempered Clavier, Part I: [paper cover] (Signature Series (ABRSM)) (Pt. 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Well-Tempered Clavier, Part I: [paper cover] (Signature Series (ABRSM)) (Pt. 1):

0 of 0 people found the following review helpful. Excellent sheet music bookBy CustomerThe ABRSM signature series is a very very good series. The printing is very high quality, easy to read and the editing is really great. The performance notes by Tovey are a valuable insight.1 of 1 people found the following review helpful. VERY good edition.By R. HasspacherComprehensive notes, VERY good edition.2 of 3 people found the following review helpful.

Five StarsBy markmA lot better than the edition I owned previously (Kalmus).

The Well-Tempered Clavier is published as part of ABRSM's 'Signature' Series - a series of authoritative performing editions of standard keyboard works, prepared from original sources by leading scholars. Includes informative introductions and performance notes. Winner of the Music Retailers Association's Standard Publication Award for 1994.

The best English-language edition so far. Contains very useful material on manuscript sources, variants, and performance questions. A bonus is the inclusion of Donald Francis Tovey's classic analyses of each prelude and fugue, along with the editor's helpful caveats. \* Early Music America \* Whatever your chosen instrument, this is not only a fine editorial achievement, but also a compendium of both wisdom and pleasure virtually without equal. \* Harpsichord and Fortepiano \* This will be the standard text in the UK and worldwide, alongside all the other marvellous Bach, Schubert and Brahms editions already in Signature volumes. \* Classical Piano \* Whatever other publishers produce, it is likely that, in the UK, the best-selling edition of the 48 will be the one published by the Associated Board. \* Early Music News \* As a scholarly reference, this edition is probably unsurpassable...a rightly-lauded triumph of scholarship, it should be on the shelf of every musician. \* Music Teacher \*
