1 of 1 people found the following review helpful. Consistent By Marie Cimboras As always, the AIO team delivers quality engaging stories with biblical principles. The only complaint I have is that one or two of the episodes are repeats from another CD. My son doesn't mind but I would have liked to have known that when I was purchasing the product. 0 of 0 people found the following review helpful. Wonderful moral lessons and very entertaining By sanjo My 2 youngest boys had these tapes growing up. We listened to nearly everyone of them. Wonderful moral lessons and very entertaining. Note that the voice of the soda pop owner is the guy who played Otis on the Andy Griffith show. 0 of 0 people found the following review helpful. Great service!
