E. Y. Harburg, Harold Arlen : The Wizard of Oz -- 70th Anniversary Deluxe Songbook (Vocal Selections): Piano/Vocal/Chords before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wizard of Oz -- 70th Anniversary Deluxe Songbook (Vocal Selections): Piano/Vocal/Chords:

2 of 2 people found the following review helpful. Love it!By A. LamptonLove it! Great arrangements and fun to play! Intermediate level. Arrived sooner than projected.1 of 1 people found the following review helpful. The Original KeyBy KubanaIt's in the original key. Judy Garland was a mezzo so I was so glad that they printed the music of this beloved movie in its original key.4 of 4 people found the following review helpful. The Wizard of Oz: Vocal SelectionsBy JoyI purchased this songbook because I needed the song "Over The Rainbow" for a singing exam. The

songbook arrived in very quick time and in very good condition. There is a fairly decent introduction with a short write-up on the movie and some black and white pictures of the characters. The songs are complete with introduction, which is great because not all versions have the songs with the introductions. The accompaniments are relatively simple and there is enough space between the staves that make the dynamics and expression markings easy to follow. For the pricepoint that this songbook is at, this is a worthwhile buy.

This book features all of the classic songs by E.Y. Harburg and Harold Arlen. Also included are the never-before published "character themes" by Academy-Award(R) winning composer Herbert Stothart, the complete "Munchkinland Musical Sequence," and the song "The Jitterbug," which was cut from the original film. Utilizing rare M-G-M studio manuscripts and the original motion picture soundtrack, each song is presented in its original key. As a bonus, this unique collector's item includes two songs from the 1903 Broadway musical production of The Wizard of Oz, with lyrics by original Oz author L. Frank Baum. These songs have not been published in over a century. The songbook also contains dozens of original production stills and publicity photos, an essay on the story behind the songs and score, and biographies of the composers.

From the Publisher Over the Rainbow * Ding Dong the Witch Is Dead * We're Off to See the Wizard * If I Only Had a Brain * The Merry Old Land of Oz.
