Hyla M. Clark : The World's Greatest Magic before purchasing it in order to gauge whether or not it would be worth my time, and all praised The World's Greatest Magic:

0 of 0 people found the following review helpful. Educational Entertaining By Sean D Fox A wonderful historical reference and look at a group of well-trained magicians. 0 of 0 people found the following review helpful. ... suggests that it will reveal the secrets of the best magicians - it does not. By Tim Keating The title and description suggest that it will reveal the secrets of the best magicians - it does not. It gives a couple-page biography of a bunch of magicians and describes their specialty but doesn't explain how they're done. It does give some "how to" information on different magic tricks in the back, but very disappointing. 0 of 0 people found the following review helpful. Should be on every magicians bookshelf. By Renald E. Parcesepe This book has been around and has always been available to budding magicians. Contains many stories and really nice photographs and even teaches some magic. Recommend def
