Iwo Zauski, Pamela Zaluski : The Young Liszt before purchasing it in order to gage whether or not it would be worth my time, and all praised The Young Liszt:

Joins the writing team's earlier efforts on Mozart and Chopin. Focuses on Liszt's (1811-86) life and career between his birth until 1835 when his fame as a pianist and composer had spread throughout Europe and his relationship with Marie d'Agoult was becoming central to him.
