Callie Khouri : Thelma and Louise and Something to Talk About (Screenplays) before purchasing it in order to gage whether or not it would be worth my time, and all praised Thelma and Louise and Something to Talk About (Screenplays):

0 of 0 people found the following review helpful. Five StarsBy T.D. Jones/AuthorGreat book to study screen writing0 of 0 people found the following review helpful. Five StarsBy Antlove1 of 1 people found the following review helpful. And it was her first time writing anything like that and it won an Academy award for best ...By john caccitoloThe only screenplay ever written where not one word was changed from the writers first submission to the final scene of the

movie. And it was her first time writing anything like that and it won an Academy award for best original screenplay. Not bad.

When "Thelma Louise" opened in 1991, it was greeted with acclaim and controversy, quickly earning first-time screenwriter Callie Khouri a reputation as one of the only writers of real movie roles for women. She lived up to expectations with "Something to Talk About, " which won praise for its originality and authenticity. Published here in one volume, these two screenplays gives us an oppurtunity to savor the work of a groundbreaking author.
