This book contains 50 word search puzzles. These puzzles were created using the lyrics of favorite Christmas carols. For each puzzle, the complete lyrics for one verse and refrain are provided but only the underlined words are hidden in the letter grid. Most pages also include an artistic black and white image. These unique images were created from original color photos taken by Sharon Wilson. Scenes include nature landscapes, nativity figures, and historic structures such as covered bridges, churches, and lighthouses. These puzzles are not overly difficult though they were created to be as compact as possible, minimizing the number of unused letters. The number of words hidden is

different for each puzzle and ranges from 15 to 35 words. Grid size ranges from 10 by 10 to 13 by 13. Puzzle Book
