Bill Watterson : There's Treasure Everywhere--A Calvin and Hobbes Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised There's Treasure Everywhere--A Calvin and Hobbes Collection:

0 of 0 people found the following review helpful. A ClassicBy LAShopGirlGot a few Calvin and Hobbes books for my nephew. These are big books (in dimension) and there is a combo of black and white text pictures and also color inside. Calvin and Hobbes is a classic, especially for boys. But my nieces (who are older than my nephew) read through the books and loved them, too.0 of 0 people found the following review helpful. Oh my gosh I love it!!!!By CustomerSo addicting. I read it over and over again, it never gets old. Recommended for ALL ages definitely. In this book... Spaceman Spiff continues his travels to uncharted planets. Stupendous man triumphs with justice once again. Calvin remains struggling over being good because of santa. Calvin is still pasting susie with snow balls. G.R.O.S.S (Get Rid Of Slimy girls) remains a successful club. Hobbes tries to motivate calvin to be good. Calvin and Hobbes have their deep conversation time before they tumble off a cliff in their red wagon.0 of 0 people found the following review helpful. These books win over kids electronics time (Serious Parenting Win)By Matt Andrea BattagliaMy kids LOVE reading Calvin Hobbes. Love it.We will buy them every book - because with all of the electronics available, getting them to love anything that has to do with reading is a parenting win.My husband reads them a few pages each night and when we tell them it's reading time, my oldest always goes for the Calvin Hobbes comic books. We've added all of them to his Christmas list (I'm sure he's forgotten this already) and I know he'll be so excited when he gets them.

In the world that Calvin and his tiger Hobbes share, treasures can be found in the most unlikely places, from the outer regions where Spaceman Spiff travels to the rocks in the backyard--this curious duo roams their world in search of fortunes (and misfortunes!) to be experienced. Whether Calvin and Hobbes are blasting off on another interplanetary adventure or approaching warp speed on a downhill wagon ride, their capers consistently charm and refresh their

readers' days. On his own, Calvin is prey to the insidious killer bicycle, is the arbiter of the Dad poll, is the creator of a legion of snowmen who provide an incisive social commentary, and Hobbes is always there as the perfect companion. Watterson's talent is evidenced by the range of thought-provoking emotions the strip encompasses in addition to the laughs it induces: the loyalty and friendship between Calvin and Hobbes, the challenge of being a patient parent, and the sardonic viewpoint of a cynical six-year-old ("I'm a 21st-century kid trapped in a 19th-century family," laments Calvin) combine to make this one of the best-loved strips in cartoon history.

.com Few writers--and even fewer cartoonists--have captured the imagination of childhood more effectively than Watterson in his many Calvin and Hobbes cartoons--and apart from his Tenth Anniversary Book, this is probably my favorite Calvin and Hobbes collection. About the Author Bill Watterson is the creator of Calvin and Hobbes, one of the most popular and well-regarded cartoon strips of the twentieth century. Calvin and Hobbes appeared in newspapers from November 1985 until Watterson's retirement in 1995. Online: gocomics.com/calvinandhobbes/
