I have an elderly mother so I carry them with me always because I never know if I'm going to be going to an emergency room on Doctor. There is nothing more agonizing then waiting for a doctor and having nothing to do You might say I am kind of hooked on these little puzzles0 of 0 people found the following review helpful. Great medium-hard puzzlesBy gsmithThis is perfect for what I wanted - puzzles that are middle of the road - not dead simple but not so hard that you feel like you are wasting your time trying to figure them out. Plus you can count on the quality of any Frank Longo puzzles.
